Dear Dr. McAllister:

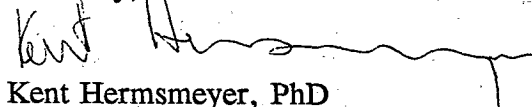

Thank you very much for your contribution to the 3rd International Symposium on Calcium and Gene Hypertension. This is an important source of funds for us, and we will be most happy to acknowledge The Council for Tobacco Research as a contributor toward the meeting.

Of course, I want to take this opportunity to issue a special invitation to you and your staff to attend our meeting, and to be present for what I believe will be one of the most important meetings held on the cell and molecular basis of genetic hypertension.

Of course, all information that we send about the ISCGH meeting will automatically be mailed to you. We are delighted to include you as a contributor.

On behalf of the organizers and participants in the meeting, I send my sincere thanks, and best wishes for the holiday season.

Sincerely,

Kent Hermsmeyer, PhD
Chairman
